## How to Apply

Please complete the Application for Admission on the previous page and return it to your local EF International Academy (EF) office. If the application is accepted, we will send a confirmation of your acceptance on the programme, along with an invoice detailing the payments due. Please note that if you are enrolling on a programme that begins within 30 days, we reserve the right to charge you for the courier service needed to receive your visa documents.

## Academic requirements

Students are required to have a certain level of English for admission to EF International Academy. Students can either take a SLEP/IQPT test at an EF office or supply official TOEFL/IELTS scores. Please see specific English level requirements for each programme on pages 44 – 55. Admission to specific programmes such as the IB Diploma Programme and the A-Level Programme is conditional on English testing upon arrival at the school.

Should the test result not fulfil the admission requirements for the EF International Academy programme, the student will be offered to sign up for an English language preparation course.

## Academic criteria for examination entry

Students who do not perform satisfactorily in their course work will not be entered for external public examinations by EF International Academy. Students will be formally assessed at least twice a year. The assessment will take into account:

- Course work
- Internal examination results
- Attendance
- Effort in class and homework
- Public examination potential

Students who do not meet the criteria of the programme will not be allowed to proceed with their original course but will be offered an alternative course or invited to withdraw without a refund.

## School Organisational Policies

The School has policies on Health and Safety, Student Conduct, Sanctions, Complaints and Exclusion. These are made known to students on arrival and are available on request from the Headmaster/Headmistress.

## Expulsion

Students are admitted on condition of the terms and rules published by EF International Academy. EF International Academy reserves the right to expel any student who seriously breaches school rules. There will be no refund in the event of expulsion.

## Health

Students are accepted on the basis that their health is adequate to participate in full time studies abroad. Parents or guardians are required to inform the school of any medical condition that may affect the student's performance, behavior or safety in the school. Any form of medical condition affecting the student together with information about any medication or regime required by the student must be made known in English to the school who will share this information, as appropriate, with the homestay parents and school officials.
